Measurements are in inches.

Size charts should be used as a measuring guide only.

If your measurement falls between sizes, buy the larger size.

Garments will vary according to style and fit of the garment.

How to Measure:

WAIST (A): Align top of edge of waistband in a straight line. Measure across opening from side to side at top edge of constructed waistband or waistline. Take measurement x2.

SEAT (B): Measure around the fullest part of your hips.

INSEAM (C): With garment laying flat, measure from crotch seam following contour of seam to finished edge of garment at hem.
