

N95 Harmful Dust with Odor Filter - 10102485

Description

- > Helps protect against harmful dusts
- > Unique integrated charcoal and filter media offers superior odor removal.
- > Not intended or approved for use against toxic odors
- > NIOSH certified N95 respirator, meeting the NIOSH 42 CFR 84 respirator certification requirements
- > Allows for easy breathing and normal speaking
- > Adjustable metal nose band for a proper fit
- > Closed cell foam nose pad that contours the face, improving comfort and fit
- > Latex-free dual elastic straps help keep the respirator positioned properly on the face
- > Disposable and maintenance-free
- > APF 10* when properly fit tested

*APF (Assigned Protection Factors) and product compatibility are only effective when the employer implements a continuing, effective respirator program as required by Section 29 CFR 1910.134, including training, fit testing, maintenance and use requirements.

OSHA's Standard for Respiratory Protection, 29 CFR 1910, 134, requires Employers to implement a change schedule for all canisters and cartridges when there is not an end of service life indicator on the cartridge or canister. The employer shall describe the respirator program the information and data relied upon and the basis for the canister and cartridge change schedule and the basis for reliance on the data. This schedule must be site specific and take into consideration worksite humidity, worker breathing rate as well as contaminant concentrations.

Technical Data

Material	Polyester
Color	☐ White
Sizing	One Size
Packaging	1 mask per clamshell, 6 clamshells per case
Case Dimensions	14.0" x 7.6" x 9.6" / 35.6cm x 19.2cm x 24.5cm
Case Weight	1.7 lbs / 0.8 kg
COO	China

Barcodes

Item	Clamshell	Case
