

SPECIFICATION SHEET

263-43003

SECURE™ 3 PASSIVE EAR MUFFS - NECKBAND

- Ideal for use in conjunction with bump caps, hard hats without universal slots or head mounted face protection
- Offered in three protection levels, clearly indicated with bright safety-colored spacers for easy identification
- Head support strap is adjustable and ensures muffs stay in position at all times
- Strong and flexible neckband balances the weight over the neck, keeping an even pressure over the ears
- Slim profile design increases stability and reduces risk of snagging in confined spaces
- Soft and wide ear cushions feature snap-in system for easy replacement
- Dielectric, non-conductive

APPLICATIONS

- Low frequency noise
- Airport ground crew
- Motor racing
- Drill hammering
