### Technical Data

|                      |                        |
|----------------------|------------------------|
| Color                | Navy                   |
| Sizes Available      | XS-5XL                 |
| Packaging            | Case                   |
| Packed               | 1/Case                 |
| Case Dimensions (cm) | 61.00 x 40.60 x 30.50  |
| Case Weight (kg)     | 0.91                   |
| Country of Origin    | China                  |
| Clothing Type        | Sitewear               |
| Fabric               | ESD Microdenier        |
| Closure              | Pullover               |
| Construction         | ESD Safe               |
| Certifications       | --                     |
| Product Circularity  | Reusable / Launderable |

### Uniform Technology™ Microdenier ESD Sitewear Top

- ESD Microdenier Fabric - 99% Polyester / 1% Carbon
- Raglan sleeves for more movement
- Placket 3 snap front
- ESD knit cuffs
- Bound neck
- Slits at bottom of side seams

### Performance Data

|                         |                    |
|-------------------------|--------------------|
| ISO Cleanroom           | --                 |
| ANSI/ESD S20.20         | --                 |
| Temperature Resistant   | --                 |
| Static Control Property | Static Dissipative |

### Care Instructions

Our garments do not come wearer ready meaning they need to be laundered before an employee wears them in an ISO class cleanroom. Average wear and tear lifespan is 50-100 washes. Make sure all zippers and snaps are closed. Use less harsh soap (milk alkaline or neutral soaps) or detergents. Wash at 120°F for colors and 140°F for whites. Rinse cold. No bleach. Tumble dry moderate (140°F). After drying tumble dry cold for 5 minutes. No iron.

KEY: Made from recycled or bio-based Launderable Recyclable via TerraCycle®
